Dear Brothers,

As you know, the focus of all of our letters to you have been on the subject of sonship, namely that ‘we are all sons of God through our faith in Christ Jesus.’ (*Galatians 3:26*) However, last week, we took the bold step of examining closely the doctrines you brothers promote in connection with the years 1914 and 1919 to the extent that they tend to hinder the development of the sons of God – the Body of Christ.

The articles are respectful and written in the spirit of brotherly love and with the mindset of the ancient Bereans who ‘examined the scriptures daily’ to determine whether the things they were taught were indeed true. (*Acts 17:11*)

First, we published an article entitled **1914 and the Coming of Our Lord Jesus Christ**. In it, we lay out the 1914 and 1919 doctrines according to the way it is explained in your publications. We believe that once the doctrines are laid out in chronological order, it becomes clear that our organization has gone a little off track. If anything we state in that dissertation is inaccurate, please let us know and we will be swift about making the correction. We asked our visitors who read the article to likewise send us their corrections, if they find any. So far, we have received many emails, but none suggesting any corrections.

The follow up article, entitled **Let the Dead Bury the Dead**, shows how we can untangle ourselves from the errors of the past generations of our leadership, and move forward with Jesus’ original, actual, open and plain teachings. A link to both articles can be found on the **Update Page** of our site: [www.AnointedJW.org](http://www.AnointedJW.org).

We were not sure how our brothers and sisters would respond to these articles because these are such sensitive subjects. But to our pleasant surprise, the responses we have been getting are quite positive. We will be posting some of these responses to our site this week, but we want to share just a couple with you in this letter:

*[From two elders]* What a pair of articles [**1914 and the Coming of Our Lord Jesus** and **Let the Dead Bury the Dead**]. It’s the type of honesty we need today, not looking at others and pointing fingers, but looking and paying attention to our own Association. We really think in the near future we need to open up conversation on our teachings. Thank you friends so very much for trusting the spirit of truth and letting it guide you along and doing it respectfully and that’s key. Another WOW bit of refreshment for our spiritual needs.

[From an elder] Well Now! You Sons and Daughters of our Great and Loving Father, with the warmest Christian greetings to all. I'm happy to report out of 6 elders in our congregation, 3 more have taken up the mantle, picked up the torture stake and have grabbed hold of sonship, with not 1, but both hands! The seeds of truth are growing and oh what a difference it has made in meeting attendance. There is a spirit here that is outstanding. Dear precious friends, the articles dealing with 1914 [**1914 and the Coming of Our Lord Jesus Christ and Let the Dead Bury the Dead**] are being received to my utter shock with open arms. It seems that everyone is ready to start fresh and wipe the dust off their feet and be about the Fathers business. If it at all sounds like I'm excited, let me make it clear, brothers, I'm beside myself with joy. God bless you friends for saying almost a year ago "Here We are Send Us!"

So you see, brothers, re-examining these doctrines can make significant and positive changes in our association. It appears that many within our association would welcome being freed from past errors in one fell swoop, so we can move forward untethered with dead weight. And when we let go of error, the light of truth can shine more brightly and the true sons of the Kingdom will wake up! We encourage you to take a look at both articles, and see if the Spirit of Truth bears witness with your Spirit as to these matter.

It is always our prayer that our letters reach your hearts and minds, and motivate you to take a fresh look at what you are teaching, even as Paul counseled:

**“Pay constant attention to yourself and to your teaching. Stay by these things, for by doing this you will save both yourself and those who listen to you.” – 1 Timothy 4:16**

Many say that you brothers cannot or will not change. But “with God, all things are possible.” (**Matthew 19:26**) We remember that love “bears all things, believes all things, hopes all things, endures all things. Love never fails.” (**1 Corinthians 13:7-8**) We are counting on the love of you brothers for God, for the Christ, and for the least of Christ's brothers. It may mean a loss of some worldly power for 8 men, but the act of humility by our Governing Body could mean salvation for 8 million!

And so we continue with our prayers on your behalf, and we continue to be available to you by email at [info@AnointedJW.org](mailto:info@AnointedJW.org) if you have any questions or comments about our ministry.
