Dear Brothers,

We want you to know about two new articles we posted to our site. The first is entitled **Lastly He Sent His Son**. This article is a clarification that Jesus is the last representative, who has no successor, and that he uses the Spirit of Truth as his channel to guide us individually, in harmony with *1 John 2:27*. The second article we posted yesterday is entitled **Beware of Apostates!** You can find the link to both articles on the **Update Page** of our website at www.AnointedJW.org.

We published the **Beware of Apostates** article because we suspect that many of our brothers who had the courage to openly confess their union with the Christ will be unfairly scrutinized and possibly labeled as apostates. We wanted them to know what an apostate truly is according to the Bible, and how they can protect themselves from real apostasy. After we published the article, we received many emails, a few of which we posted to the site today on the page entitled **Emails From Our Visitors**. You can also find the link this page on the **Update Page** of our website.

One of the emails from an elder reminded us that you brothers only have 'relative authority' in harmony with *Romans 13:1*, and cannot and should not expect absolute subjection, obedience and loyalty from the publishers. That would constitute worship. Those who have chosen to join themselves to this organization are here not to worship an imperfect organization, but to participate in a worldwide preaching work.

Therefore, we urge you to be cautious about labeling as an apostate those who question or disagree with your theories and speculations. And if the local elders are misrepresenting you in this regard, we urge you to correct them, for the Father will no doubt also hold you men accountable for the actions of those who work at your direction.

If you have any questions or comments about either article, or about our work in general, please feel free to contact us directly by email at info@anointedjw.org. We are happy to answer all your questions.
