Dear Brothers,

We hope this letter finds you all in peace and in faithful service to our Great God Jehovah and his Christ.

We are the authors of the website: www.AnointedJW.org. To introduce our site, we sent postcards, similar to the one enclosed herewith, to all the branch offices worldwide, and to several Kingdom Halls in the United States. So far, we have had excellent responses, as sons from all over the world are expressing appreciation.

Our site was developed primarily to assist our anointed brothers and sisters to make their calling sure and to uplift the entire Christian fellowship by revealing that “all who are led by God’s spirit, these are God’s sons.” (*Romans 8:14*) You will find that the information presented on the site is soundly founded on the Bible and is in support of the Watchtower Bible & Tract Society.

We invite you to peruse the site, taking special note of the articles entitled “**Standing for the Kingdom and the Brotherhood of Christ**,” “**Who Are Led by the Spirit**” and “**Moving Forward in Faith**.” These articles best explain our intentions; however, you may wish to view the page entitled “**Overview of the Site**” for an introduction to more encouraging articles. New articles are added weekly.

It appears to us, and to many others, that the Society must make some significant adjustments if it is to survive and thrive. We have given a great deal of thought as to how best to achieve such upliftment and would be happy to share our thoughts with you.

If you would like to reach us with any questions or concerns as to our suggestions or what we are doing or why, please feel free to contact us. The quickest way to reach us is by email at: info@anointedjw.org.

Thank you for all your hard work on behalf of the brotherhood.

Your brothers in the faith,
