Dear Brothers,

We want you to know that the message of sonship is resonating around the world, both within and without our organization. We have heard from so many people, even elders and pioneers, who are latching onto the message of sonship. They are especially impressed with the mountain of irrefutable scriptural evidence that shows “we are all sons of God through our faith in Christ Jesus.” (*Galatians 3:26*)

This week we are pleased to share with you an article we just published on our website, www.AnointedJW.org, entitled “**The Powerful Message of Sonship**.” In this article, we share many of the comments we have received about how this message has changed lives. We hope you enjoy this article.

Unfortunately, many of our brothers and sisters tell us that even though they realize the scriptures teach that all Christians must pursue the heavenly hope, they are choosing to remain loyal to “God’s earthly organization” and not pursue the hope until the Governing Body publishes that truth. We fear for these brothers because the gospel accounts record Jesus saying:

“Everyone, then, that confesses union with me before men, I will also confess union with him before my Father who is in the heavens; but whoever disowns me before men, I will also disown him before my Father who is in the heavens.” – *Matthew 10:32-33*

This is why we steadfastly appeal to you brothers to revisit the issue of sonship, return to the original message of **one hope**, and publish the truth – opening the doors to the Kingdom of Heaven – so that our association of brothers will not be disapproved. And as you know, we offer our support in any way we can as you make the transition to a heaven-seeking spirit-led organization.

As always, if you have any questions on what we are doing or why, please feel free to contact us. The quickest way to reach us is by email at: info@anointedjw.org.

Your brothers in the faith,
